EUGENE WINS EASILY

THE FARMERS LOSE BY A SCORE OF 38 TO 0.

Bishop Could Run Our Ends As Was Feared, and His Dashes Were Sensational.

The great annual football struggle between the lemon and the orange is history, and while the orange went down under crushing defeat, she has no reason to be discouraged.

U. O. has been most fortunate this year. She has played many desperate contests, yet her men went into the game fit for the work of their lives.

Eugene played a clean and beautiful game and is entitled to all the glory for it. She was strong where the orange was weak.

OAC defended the west goal and U. O. kicked to her 20-yard line. The ball was advanced by scrimmages to the 45-yard line and lost on downs.

At the opening of the second half the ball was carried by long end runs across the center of the field into the farmers' territory. Here it was secured and brought steadily back to U. O.'s 35-yard line.

Harding was now badly hurt, Hall and Scott were almost out of the game and while the orange struggled desperately, Bishop's long runs and Smith's plunges could not be withstood.

This is the same score by which Eugene defeated the local team last year, yet the game was not nearly so one-sided.

The team and excursionists who accompanied them were well received by the people of Eugene.

What was probably the last game of football for the season of '90, on the local field, was played last Saturday between the Chemawa Indians and a team from the college.

The game had not been in progress long, however, before the foul and dirty play of the Indians, which was overlooked by the Indian referee who was their manager.

The Indians were permitted to make mass plays, and their interference was formed before the ball was snapped, and as a result, it was almost impossible to stop end dashes without some gain.

The game had not been in progress long, however, before the foul and dirty play of the Indians, which was overlooked by the Indian referee who was their manager.

The game had not been in progress long, however, before the foul and dirty play of the Indians, which was overlooked by the Indian referee who was their manager.

full, woke up as he passed and watched him as he crossed the goal line for Chemawa's first touch down. Time, two minutes. Try for goal failed, Score Chemawa 5 OAC 0.

After the next kick-off, Chemawa began a series of plunges through the places where Walters and Gallagher ought to be, until these were stopped up, and then came dashes.

The next kick-off was neatly caught. After a few downs, the farmers took a brace and began to take an interest in the game.

The Indians kicked off, and the farmers gave them another exhibition of aggressive football, which soon scored another touch down.

The next kick-off was neatly caught. After a few downs, the farmers took a brace and began to take an interest in the game.

STARR WON.

The Monroe Land Case Decided by the Register in Favor of Miles Starr.

In the Roseburg land office the Starr-Shinn land case has been decided and the resulting decision was in favor of M. C. Starr, who made contest for a 100-acre tract of land near Monroe last May.

The decision was by the register and receiver of the Roseburg land office and is the result of the testimony made by County Clerk Watters as referee in the case last May.

The entry of the Shinn brothers upon the tracts embraced in their homestead entries was a forcible one, and unlawful trespass upon the known and undisputed possessions of another.

The land in question comprises 192 acres, and the contest for its possession began in the closing days of 1887. The land was in possession of M. C. Starr.
